## Innovation Series — Digital Economy

The Embassy of Australia cordially invites you to a presentation on digital economy innovation and opportunities in Australia to be followed by a networking reception, featuring internationally renowned communications thought leader Mr Paul Budde.

- > **DATE:** Monday 16 May 2011
- > **TIME:** 6:00 - 8:00pm
- > **LOCATION:** Embassy of Australia  
1601 Massachusetts Ave NW  
Washington DC 20036
- > **RSVP:** T: +1 (202) 797 3471  
E: [washington.rsvp@austrade.gov.au](mailto:washington.rsvp@austrade.gov.au)

*Paul Budde has acted as policy adviser to Governments in Australia, New Zealand, USA, Netherlands and the UK communications policy and led a team of international experts in the creation of five BigThink reports in this area for the Obama Administration. Mr Budde is a special advisor to the ITU/UNESCO Broadband Commission for Digital Development and also provides strategic telecommunications industry business information on the telecommunications and digital economy markets covering 190 countries, 500 telecommunications companies and 200 technologies and applications.*
